

An illustration depicting the 'EfficiencyBoost Model'. It features a large, stylized clock face with a blue border and white face, showing the time as approximately 10:10. A woman in a light blue shirt and dark pants is sitting on a horizontal blue beam that extends from the clock. Below the clock is a large, golden, bowl-shaped funnel. To the left of the funnel, a woman in a light blue shirt and dark pants is sitting on the ground, looking up. To the right of the funnel, a woman in a blue shirt and dark pants is walking, holding a large golden gear. Another golden gear is floating in the air to the left of the clock. The background is a light gray with some faint, abstract shapes.
